

Woolcock Group Serviced Offices offer you fully furnished, modern office accommodation packages that are cost effective for small to medium sized business, with access to high speed internet services.

Our team support business Owners and Managers to focus on running their organisations by freeing up their time to concentrate on their customers.

**Virtual Office** services are also available to business owners who may not require 'office space' but can benefit from professional reception services, a physical business address to offer clients, as well as access to meeting and training rooms.

TOURS of our offices are welcomed. QUOTES for office space and services to suit you can be presented.

Please call (08) 8193 9601 to explain your desires or email [Enquiries@WoolcockGroup.com.au](mailto:Enquiries@WoolcockGroup.com.au)
